

CALVING EASE TRAIT LEADER

# TOP DOG

**Alta Cedar Top Dog 11T x4138254 (deceased)**  
**Sire: Saskvalley Primo 40P x Dam: Alta Cedar Lady 20M x**  
**EPD's - BW 0 - WW 26.1 - YW 34.1 - Milk 4.5**

Use this bull with confidence on heifers as well as cows and you will get a calf that comes easy and then explodes in growth at weaning and as a yearling. You will get an extremely high percentage of live calves at birth. That means dollars. We have a beautiful set of two and three year old daughters in the Cagwin Farms herd and we could not be happier with them as mother cows. They flesh easily and milk their hearts out for their calves. Top Dog daughters can do the same for you.

**Top Dog semen - \$30 per unit including certificates**
